Gifts of Stock

A gift of appreciated stock to UT Health San Antonio is an excellent way to make a gift while simultaneously avoiding a capital gains tax and taking a charitable deduction.

The stock gift will actually be made to the Board of Regents of The University of Texas System for the use and benefit of The University of Texas Health Science Center San Antonio. All stock transfers are coordinated and accepted through the UT System Office of External Relations. For specific transfer instructions including DTC account number and wiring information, please email or call Jean Bennett at jbennett@utsystem.edu at (512) 499-4777.

Please also contact our office at plannedgiving@uthscsa.edu to share the specific use and purpose of the gift.
